

SECTION III—REMARKS

This amendment after allowance is submitted in response to the Notice of Allowance mailed 25 January 2008. Claim 1 is amended herein, and claims 1-5 remain pending in the application. Applicants respectfully request entry of the amendment and issuance of the application.

Claim Amendment

Claim 1 is amended to recite the colors red, green and blue more consistently. Before amendment, element (b) of claim 1 recited “an average R value, an average G value and an average Blue value”. This terminology is inconsistent because red and green are referred to by their initials R and G, while blue is referred to by its complete name, Blue. The claim has been amended so that it names every color and also specifies the initial that will be used to refer to that color. Thus, element (b) of the claim now recites “an average red (R) value, an average green (G) value, and an average blue (B) value”.

The amendments to claim 1 do not add any new matter to the claim, since they do not substantively change the claim but instead merely clarify the terminology already present.

Conclusion

Given the above amendments and remarks, applicants believe that the application remains in condition for allowance. Nonetheless, if there are any informalities or questions that can be addressed via telephone, the Examiner is encouraged to contact the undersigned attorney at (206) 292-8600.
